

Corporate Affiliations

FILE DESCRIPTION

Corporate Affiliations, a database produced by LexisNexis Group, a division of Reed Elsevier Inc., contains business profiles and corporate linkage ("who owns whom") for approximately 184,000 public and private companies worldwide.

Each record includes the name, address, telephone number, sales, number of employees, SIC codes, business description, executive names, director names, corporate family hierarchy, ticker symbol, stock exchanges, net worth, total assets, and total liabilities, where available.

SUBJECT COVERAGE

The Corporate Affiliations database covers over 184,000 U.S. and non-U.S. companies in manufacturing, distribution, and service areas. This includes private as well as public companies, both parents and affiliates (subsidiaries and major divisions). All major domestic and international stock exchange listed companies (except investment instruments) are profiled.

U.S. privately held companies with annual sales in excess of \$10 million and foreign privately held companies with annual sales in excess of \$50 million are profiled.

SOURCES

Information for the **Corporate Affiliations** database is gathered by direct telephone contact and in-house research in an ongoing process throughout the year.
