

## Corporate Affiliations

### FILE DESCRIPTION

**Corporate Affiliations**, a database produced by LexisNexis Group, a division of Reed Elsevier Inc., contains business profiles and corporate ownership information for over 225,000 public and private companies worldwide.

Each record includes the name, address, telephone number, sales, number of employees, SIC codes, business description, executive names, director names, corporate family hierarchy, ticker symbol, stock exchanges, net worth, total assets, and total liabilities, where available.

### SUBJECT COVERAGE

The Corporate Affiliations database covers U.S. and non-U.S. companies in manufacturing, distribution, and service areas. This includes private as well as public companies, both parents and affiliates (subsidiaries and major divisions). All major domestic and international stock exchange listed companies (except investment instruments) are profiled.

U.S. privately held companies with annual sales in excess of \$10 million and foreign privately held companies with annual sales in excess of \$50 million are profiled.

### SOURCES

Information for the **Corporate Affiliations** database is gathered by direct telephone contact and in-house research in an ongoing process throughout the year.

### TIPS

#### USE FILE 513

to find company ownership information.

#### USE /CO OR CO=

to find company names.

#### USE /PARENT or /AFFILIATE

to restrict retrieval to parent records or to affiliate records.

#### USE FORMAT 6

to view the number of affiliates.
