

D&B - International Dun's Market Identifiers®
D&B - European Dun's Market Identifiers®**FILE DESCRIPTION**

D&B - International Dun's Market Identifiers™ (IDMI), File 518, contains directory listings, sales volume, and marketing data for nearly 29 million establishments in 204 countries. All regions of the world outside of the United States and Canada are represented in this file.

D&B - European Dun's Market Identifiers™, File 521, is a subset of File 518 and covers over 22 million companies located in 58 European countries.

Both files include company names, addresses, four-digit 1987 U.S. SIC codes, annual sales in both local currency and U.S. dollars, number of employees, organizational descriptions, DUNS numbers, parent company, and other information, when available.

Files 518 and 521 have been developed from interviews conducted by Dun & Bradstreet Information Services' staff of business analysts located around the world, as well as government sources, large volume mailings, and third-party sources.

SUBJECT COVERAGE

Firms chosen represent all types of industries including manufacturing, retail and wholesale trade, agriculture, mining, construction, financial services, educational institutions, and business and professional services. Public, private, and government-run companies are included.

IDMI includes businesses from Europe (including Eastern Europe), Africa, Mexico, the Middle East, Asia, Australia, Central and South America, and other regions exclusive of the United States and Canada.

EDMI includes businesses in 58 European countries, including those of Eastern Europe and the former Soviet Union.

TIPS**USE FILES 518 AND 521**

to find company directory listings for companies in all regions of the world outside the United States and Canada (File 518) and to find company directory listings in 58 European countries (File 521).
